1) \( \frac{1}{2} \)

1. [Diagram of a line with an arrow starting at 0 and ending at 1]

2. [Diagram of a line with an arrow starting at 0 and ending at 1]

3. [Diagram of a line with an arrow starting at 0 and ending at 1]

4. [Diagram of a line with an arrow starting at 0 and ending at 1]

5. [Diagram of a line with an arrow starting at 0 and ending at 1]

6. [Diagram of a line with an arrow starting at 0 and ending at 1]

7. [Diagram of a line with an arrow starting at 0 and ending at 1]

8. [Diagram of a line with an arrow starting at 0 and ending at 1]

9. [Diagram of a line with an arrow starting at 0 and ending at 1]

10. [Diagram of a line with an arrow starting at 0 and ending at 1]

11. [Diagram of a line with an arrow starting at 0 and ending at 1]

12. [Diagram of a line with an arrow starting at 0 and ending at 1]

13. [Diagram of a line with an arrow starting at 0 and ending at 1]

14. [Diagram of a line with an arrow starting at 0 and ending at 1]

15. [Diagram of a line with an arrow starting at 0 and ending at 1]

16. [Diagram of a line with an arrow starting at 0 and ending at 1]

Extra: Show the percentage and/or decimal equivalent of your answers.
